

Sew Precious In His Sight

Volume 121 Issue 2

April 2020

GOD ALWAYS HAS A PLAN

"You may ask me for anything in my name, and I will do it." John 14:14

Mission Statement: Our mission is to show parents the love of Christ, especially at a time when their personal pain is hard to endure, and let them know that God is faithful. Through acts of obedience and donations, His work can and will continue. We pray that this ministry will have an impact far beyond our expectations.

Our Purpose: Threads of Love is a sewing ministry meeting the needs of newborns and tiny premature infants.

Well, I had here that the next time we corresponded would be at the conference, but as Sissy has sent out a new date, we are now Oct. 14-16. Fall in the area can be beautiful. You may want to take a few more days. This is Maine in 2006, but you get an idea of the fall colors.

May I request pumpkin soup????!!

NEW CONFERENCE DATE

October 14-16

Check back for more details. Classes may change as teachers may not be able to make that date.

NEW IDEA: I am going to choose a chapter to feature in each news letter. I would like to get picture of what you have been doing in your group. A picture of your group would be great. Maybe a few candid shots at a workshop. You will have three months notice to get it together. PLEASE, with everyone's cooperation we can do this. So, be thinking now of how you would like to feature your group.

I was going to talk about this at the conference, but since it is postponed, who would like to volunteer for July. Don't all jump at once. If I don't hear from someone, I will choose you.

As we are postponing the conference, I need a volunteer for the July newsletter. You have three months.

PLEASE: Lets make the Newsletter about celebrating you. You all deserve it.

FEAR NOT

Did you know that do not fear is referenced in the Bible 365 times. That is one-a-day. It is better than any vitamin supplement I know of. I've also read this is a myth. But different translations and different wording. Who knows. It is still a lot.

Joshua 1:9 "Have I not commanded you? Be strong and courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you wherever you go."

Yes, we do need to be wise and follow what our leaders when they are telling us to stay out of crowds, etc. but we do not need to live in panic and fear.

Joshua was getting ready to cross over the Jordan into the promised land. I challenge you, read this chapter, count how many times he says "Be strong and courageous". Depending on your version the words may be different, but they mean the same thing. God is telling us in this current condition our world is in "Do NOT fear".

I am speaking to myself as much as anyone. I don't believe I've gone into a "panic" mode, but maybe anxious at times.

In verse 5 the Lord says to Joshua, "I will never leave you nor forsake you." NEVER... that means now.

Let's take this time since we are in our houses and spend time with the Lord. See what He has to say to you. Google "fear not in the Bible" and see what you come up with. Or better yet, come up with your own list. Mark it in your Bible.

Psalms 91 is a good place to start.

Verse 3 "Surely he will save you from the fowler's snare and from the deadly pestilence."

I would love to hear what some of you find.

YLCC THREADS OF LOVE

Since I am asking all of you to tell about your chapters, I should be telling about ours.

Our church has struggled greatly in the past 3-4 years and so many people have left, and those who haven't are having a hard time committing. That can be discouraging for a leader.

We supply Children's Hospital In Madera. They had someone making internment gowns for them out of wedding dresses. I've tried my best to explain why we don't. I think I got it through to them. So, they are wanting dresses and Lovies. Who doesn't love the Lovies. I've even had some of the teenage girls say they want to help. We were going to make it a "rainy" day project, but since we've had no rain until yesterday March 16, it snowed and I am house bound because I've been so sick, we haven't done any. Much better. Thought about them being out of school, but not so sure it is the best time to be making Lovies.

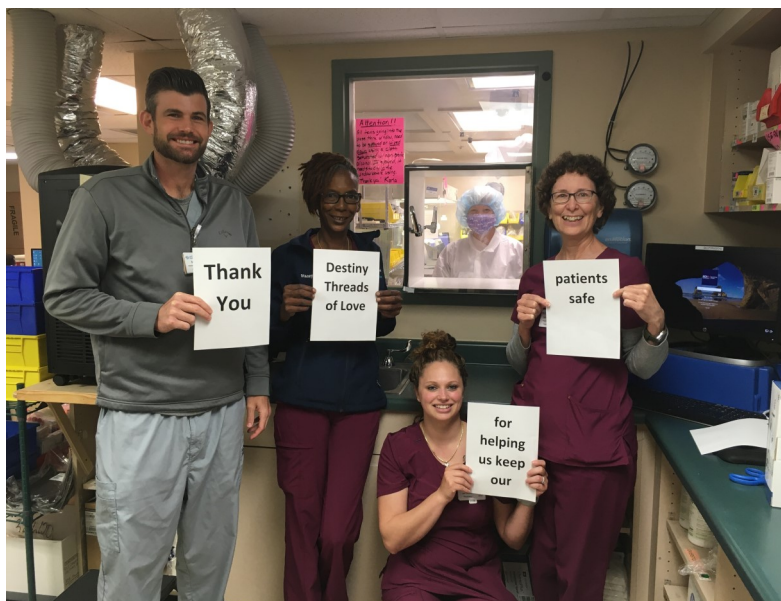

All that to say, we (I) have to get out into my room and get going. No Lovies during this time.

We could use your prayers as I try to get this going. I don't want it to be just our church, but to involve as many of the churches in this mountain community that I can. Even a ladies group that I am in that is not church related, but their mission is outreach to the community.

When you think of us, tucked in the mountains just outside of Yosemite, Please pray for us.

Oh, YLCC, Yosemite Lakes Community Church

Love you all.
