

Sew Precious In His Sight

Volume 124 Issue 4

April 2023

GOD ALWAYS HAS A PLAN

"You may ask me for anything in my name, and I will do it." John 14:14

Mission Statement: Our mission is to show parents the love of Christ, especially at a time when their personal pain is hard to endure, and let them know that God is faithful. Through acts of obedience and donations, His work can and will continue. We pray that this ministry will have an impact far beyond our expectations.

Our Purpose: Threads of Love is a sewing ministry meeting the needs of newborns and tiny premature infants.

Notes on Isaac in my Application Bible (page 39) “As you pray, put into words your desire to be available to God. You will discover that his willingness to use you is even greater than your desire to be used.”

The following notes are after Sarah had Isaac in her old age. Remember, she laughed at God when he told her she would have a child.

Notes on Genesis 21:1-7 “Our big problems won’t seem so impossible if we let God handle them.”

Then on verse 7 specifically. Isaac’s name means laughter. Sarah said that God had brought her laughter giving her a baby in her old age. The note says, “Because of her doubt, worry, and fear, she had forfeited the peace she could have felt in God’s wonderful promise to her. The way to bring peace to a troubled heart is to focus on God’s promises. Trust him to do what he says.”

I read in this that God’s willingness to use us in Threads of Love is greater than our desire to be used. That is exciting.

If I focus on God’s promise to me during the troubled times I will not forfeit the peace and laughter I could have during those times. I can only do this as I trust in Him to fulfill the promises to me. I need to look for and stand on a promise during troubled times. And I shouldn’t have to look too hard. Reading through His Word that is full of promises.

I know a lot of you have become discouraged with rebuilding your chapters after Covid. Stand on God’s promises and turn to Him. He is more willing to help you than you are to get started back up. He is faithful.

TIME TO REBOOT

LIVE TO REBOOT

Does your chapter need a reboot???? September 21-22, 2023

Due to Covid many chapters have suffered a setback. Are you one of those chapters? Do you need a reboot? Maybe some suggestions on how to get back up and running.

To reboot we are having leadership conference. If you need help come and hear new ideas. If you have ideas that are working for you, come and share those ideas with fellow chapters that need help.

It is open to any of your ladies that would like to attend. We are looking for ideas, suggestions any problems you are having. ALL input is welcome.

There will be no classes at this conference. We will only be sharing ideas. We will have break out sessions and come together to share what was discussed.

Please bring any unique items your chapter makes and how to use them. Written directions to share with the ladies would be nice. We are looking to update the chapter handbook and would like to include your ideas in it.

Lunch will be provided.

There will be a \$30.00 deposit to hold your spot. If you cancel before September 11 your deposit will be refunded. When you check in your \$30.00 will be refunded.

We will have a nurse come in to speak on what the hospital's needs are.

Threads of Love will be 29 years old in September. As things change we can use any new ideas that you may have.

The theme of the conference will be "Putting On The Armor Of God". We need quills in our bow to shoot at Satan. The more "quills" (ideas) we have the more we have to fight with.

A block of hotel rooms are reserved. Watch for more information to come.

There will be door prizes and give aways.

Check the July Newsletter for more information.

Please keep us all in your prayers as we prepare for this event. We can use all the prayers we can get.
